EXAMINER'S AMENDMENT/ REASONS FOR ALLOWANCE

1. Request for continued examination (i.e., RCE) under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application on April 05, 2004 after a Final action was mailed on October 09, 2003. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action mailed 10/09/2003 has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on April 05, 2004 has been entered. Accordingly an RCE has been established and the action on RCE follows.

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Patrick J. Hagan on 09 June 2004.

In the Claims:

- In each of Claims 3, 53 and 55 at Line 2, the word "obtainable" has been replaced with the word -- obtained --.
- In Claim 3 at Lines 4-5, the phrase " , said insect species being selected from the group consisting of *Pieris brassicae*, *Plutella xylostella*, *Phaedon cochleariae* and *Myzus persicae*" has been deleted.
- In claim 54, at lines 2-4, the phrase "insects of two or more order selected from:

Lepidoptera, Coleoptera and Homoptera” has been replaced with -- at least one insect from two or more orders selected from the group consisting of *Lepidoptera*; *Coleoptera*; and *Homoptera* --.

- In claim 56, at lines 2-3, the phrase “insects of two or more orders” has been replaced with -- at least one insect from two or more orders selected from: *Lepidoptera, Coleoptera and Homoptera*--.
-

Add new claim 69.

- --69. (New) The pesticidal agent according to claim 3, wherein said insect species is selected from the group consisting of *Pieris brassicae*, *Plutella xylostella*, *Phaedon cochleariae* and *Myzus persicae*--.
-

3. The following is an examiner’s statement of reasons for allowance:

Replacing the word “obtainable” with word “obtained” gives definitiveness to the claims to indicate that the claimed product is indeed from the claimed microorganisms.

Applicants’ Declaration filed April 05, 2004 clearly shows in a side by side comparison that in contrast to the insecticidal product taught in the prior art, obtained from an organism (i.e., *Xenorhabdus nematophilus*) of the same Genus (i.e., *Xenorhabdus*), the instantly claimed insecticidal product obtained from two different strains (i.e., H31 and I73) of *Xenorhabdus bovienni* is active against four different insect pests (i.e., *Pieris brassicae*, *Plutella xylostella*, *Phaedon cochleariae* and *Myzus persicae*) but inactive against lepidopteran insect *Heliothis virescens* and dipteran mosquito pest *Aedes aegyptii*.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Claims 3, 53-56, 63, 65 and 69 are allowed.
